To Our Valued Customers:

We hope everyone has been staying safe and healthy during these unprecedented times. We are ready to welcome you back as we are now open for takeout and dine-in.

In accordance with CDC and state guidelines, Henry's Cuisine has enhanced our cleaning and sanitation procedures. We are in the process of modifying our restaurant to be open for dine-in. Here are some of the practices we have implemented to ensure our customers are safe and comfortable:

- Increasing the frequency of cleaning, sterilizing, disinfecting high-traffic touchpoint such as door handles, tables and payment surfaces
- Requiring temperature checks of all employees and customers upon entry
- Spacing out seating areas to allow for social distancing between parties
- Adding 6ft space shields between dining tables for added safety
- Requiring all employees to wear protective masks and face shields
- Implementing minimal-contact curbside pickup
- Re-training of employees on all food safety practices and enhanced state guidelines on COVID-19

We will continue to evaluate our safety procedures and adjust accordingly. The safety of our guests and employees remains our top priority. Please be assured that when you are ready to visit us, we will be ready to serve you safely.

Thank you!
